Thank you so much for caring for my lovely husband and family. As busy as you were, you welcomed us whenever we visited.

I would like to thank every one of you for taking care of my brother. You made him & our family very welcome in your home. He always looked so well & at peace. I know he couldn't stay with you for long, but there was sadness in our hearts when he had to leave.

Look what we've been up to...
