## Testimonies

Thank you so much for all your kindness and caring to mum; with all best wishes.

We would all like to say a very big thank you to everyone; for making Vera's 100<sup>th</sup> birthday so very special; in her own words "I've had a wonderful day"

**Thank you so much to the wonderful staff at Mowbray. You have been so wonderful and caring to Joan, thank you for making her end of life so comfortable.**

**Mowbray staff and residents; we hope that you enjoy the flowers. Thank you all for welcoming and caring for Gwen during her time with you; your kindness and understanding was much appreciated; keep up the good work**

Just a short note to thank you properly for all the care and affection you've given Mum over the past few years. It is genuinely true to say that those last 3 years were probably the most content she has been in my memory. I was so worried about placing her in a home but you have shown that such places; especially yours; are places where people form new families.

Thank you so much for looking after our mother and grandmother; in her final days with such love; care and professionalism; we could not have copied the way we did at this difficult time without you all.

## Please remember...

You can discuss your family members care plan at any time with one of the RGN's on duty.

Or, if you would like to talk to Sylvia about any aspect or finances or fees, please let her know.
