You requested that the gardens and back patio area be more user friendly. So they have been enhanced with new patio furniture and planting. Come outside and enjoy the beautiful weather!

Testimonies

Westhaven is a wonderful place. My mum had a very bad fall and was administered first to hospital and then to Westhaven Care Home where the staff and other patients are very nice and friendly. All levels of staff have ensured mum's safety and dignity and have encouraged her to achieve her full potential despite being so unwell. The staff have cared for mum but also us as a family.

Volunteers

If any friends or family members are able to spare an hour or two to assist with trips out, please speak to Activities Coordinator Emma, your help would be very much appreciated.

Please remember.

To wear a sunhat and use sunscreen when outside if the weather is hot. Sunscreen is always available from the Ground Floor Nurses Station.

You can discuss your family members care plan at any time.

Or, if you would like to talk to Michael about any aspect or finances or fees, please let him know.
