## *Your surroundings...*

There are a number of pleasant lounge areas and dining rooms throughout the home. One of the lounges is fitted with a hearing loop, a discreet device to improve sound reception and aid those with hearing difficulties.

There are pleasant, wheelchair accessible gardens and a patio area to the rear of the home with tables and chairs.

## *Food for thought...*

Dining is a social occasion here at Ingersley Court and our dining rooms are warm and welcoming. Residents are encouraged to eat in the dining rooms but they can choose to eat in their room if they wish. We encourage friends and family to join us for meals with prior arrangement or afternoon tea at anytime. The tables are laid with fresh flowers and linen and our menus are on display to show the choices available. We also cater for special celebrations for our residents such as birthdays and anniversaries.

Our menus consist of home-cooked, nutritionally balanced meals prepared in our own kitchen and made from quality ingredients. Menus are prepared in consultation with our dietician, with input from our residents, to ensure that cultural and personal preferences are considered, while achieving a balanced nutritious diet. The main meal of the day is served in the evening, with a lighter meal at lunch. All meals offer a choice of menu options. Snacks, fresh fruit and refreshments are available at all times.
